Marshall Gates Foundation

Player Commitment Form Summer 2010

The Marshalls & Bucks are both 18U teams. They will play the exact same schedule. The Marshall Gates Foundation will separate the teams and assign the players to the teams that best fit the players and the program (Spring 2010). No special requests will be accepted as to which team you would like to play for.

We are putting a great schedule together for the 2010 Summer. We are working on trips to Phoenix – AZ, San Diego – CA and others. We are also planning on bringing teams in from CA, WA, TX, AZ, NV, CO as well as others to play us at Gates Field.

If you want to play for the Marshalls / Bucks you must commit to the program for the summer, because the program commits to you!!! Very few exceptions will be made for missing time.

Absolutely No Exceptions will be made for Senior Trips, Family Vacations, Other Trips, Camping, Football Practice, etc.....

If you are going to college as a pitcher, you probably will not play a position – if you are not ok with this, please don't turn in your form. Pitchers are required to attend most of the games even if they are not pitching that day. (we do a lot of work with pitchers all the time)
